RE: Esparto

Dear Ms. Fernandez,

The Esparto District Chamber of Commerce supports Mr. John Deterdings' proposal to relocate the Esparto Post office.

Currently the Esparto Post office is outdated and in dire need of proper access. With new homes being built and additional boxes needed, the new location and space will be a bonus, to the US Postal Service. Our town values the Postal Service and a trip the Post office is a daily ritual.

Mr. Deterdings proposed new facility, will be a premiere facility, which the community will frequent regularly. The opportunity for the US Postal Service to market additional services will be increased with additional traffic flow in this new location.

Please consider this great endeavor, to bring the Esparto Post Office to a new location and increase service to Esparto.

Sincerely,

*JM DURST*
